

Develop a System, Not a Goal

You don't need
more Time

You need
more Focus

You don't need
Intensity

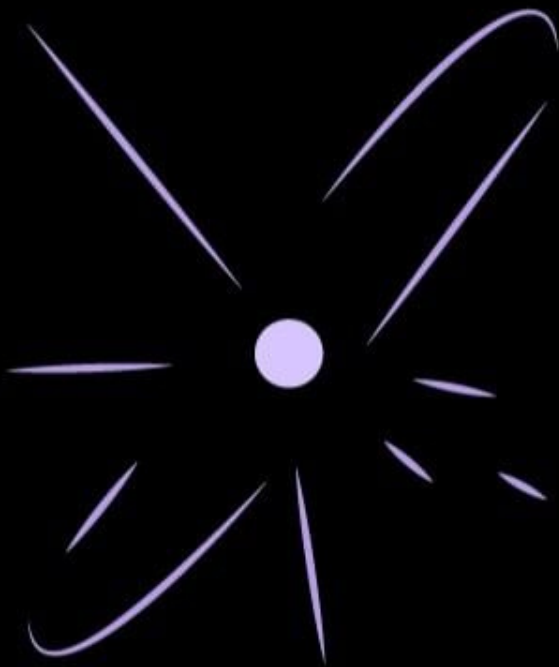

You need
Commitment

You don't need
Motivation

You need
Sheer Will

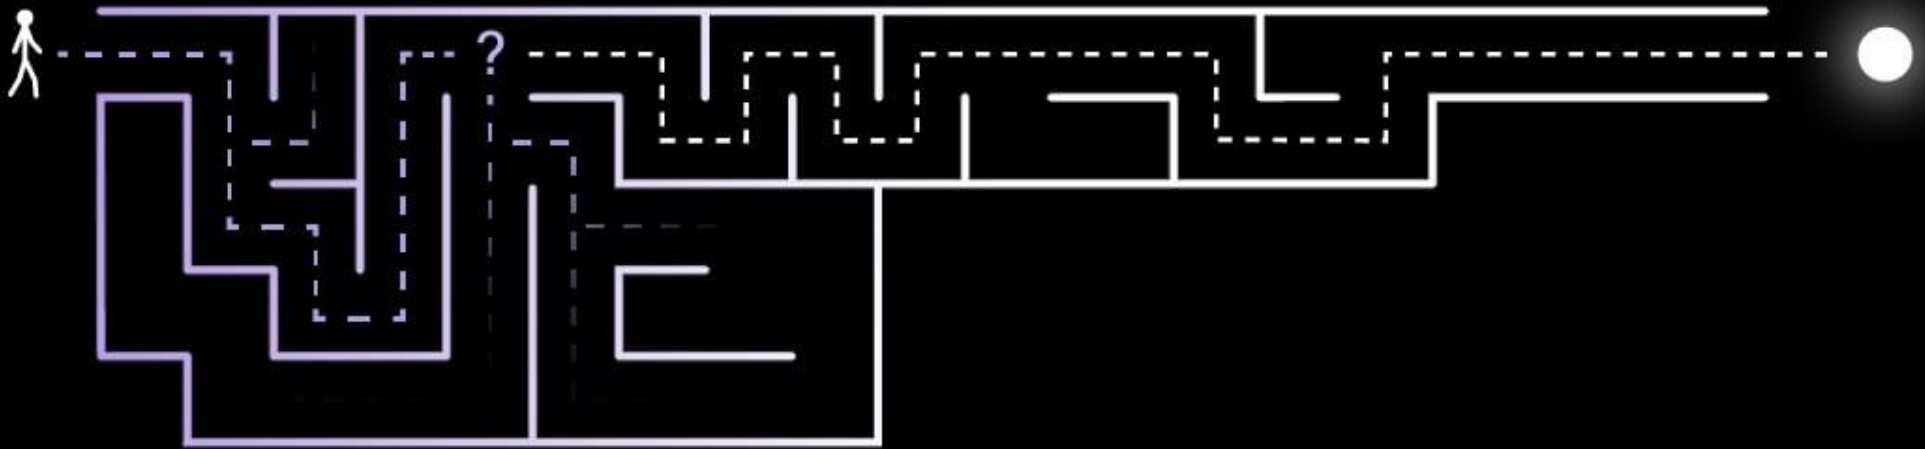

Power is chaotic

Competence is organized

You're not **lost**

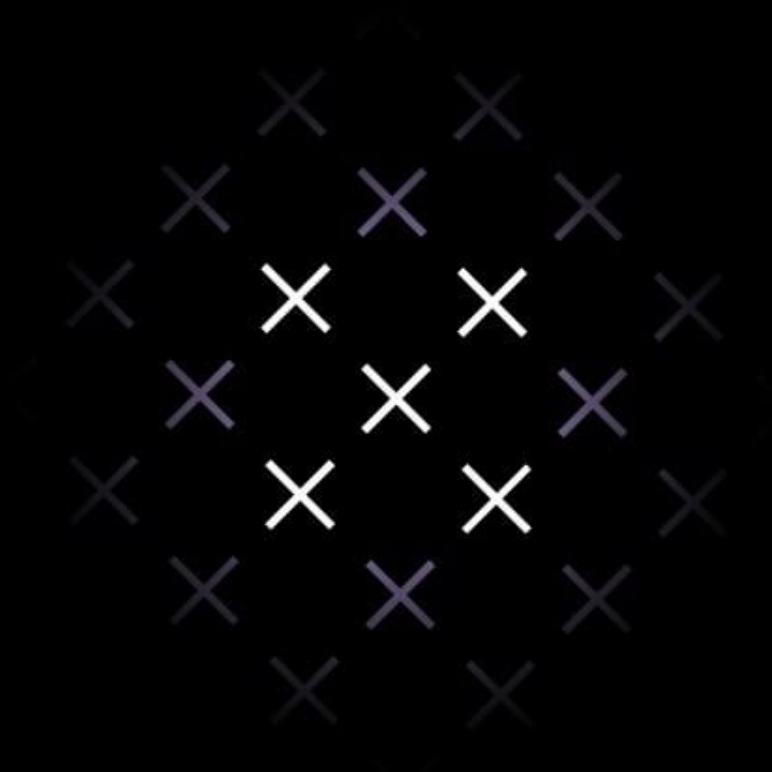

You're Just Early In The Process.

INTELLIGENCE

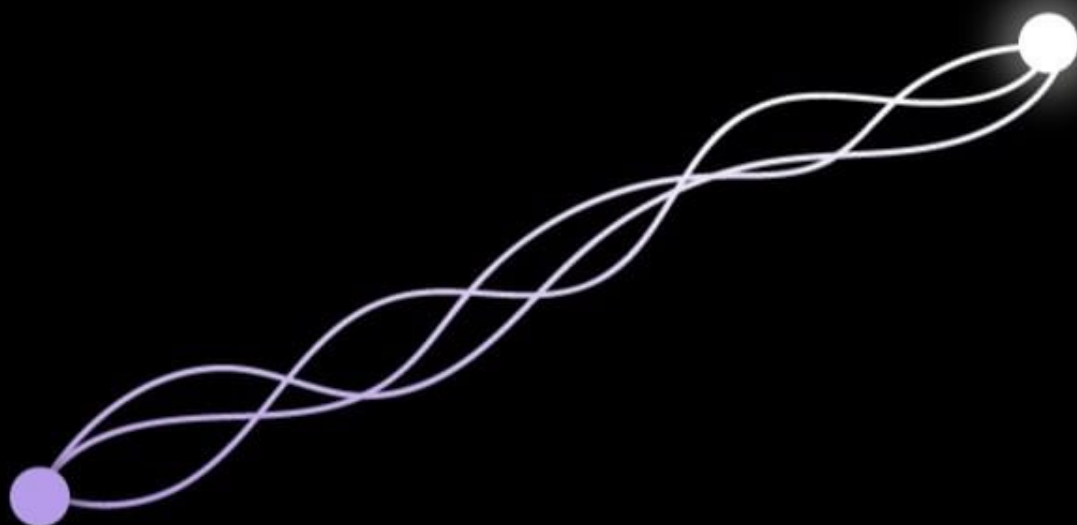

Learning from
your mistakes

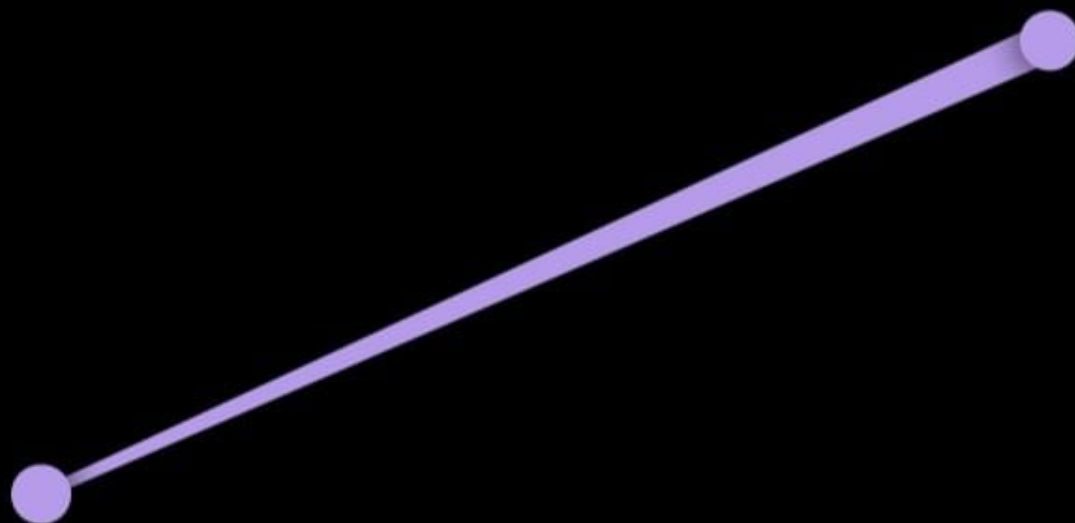

WISDOM

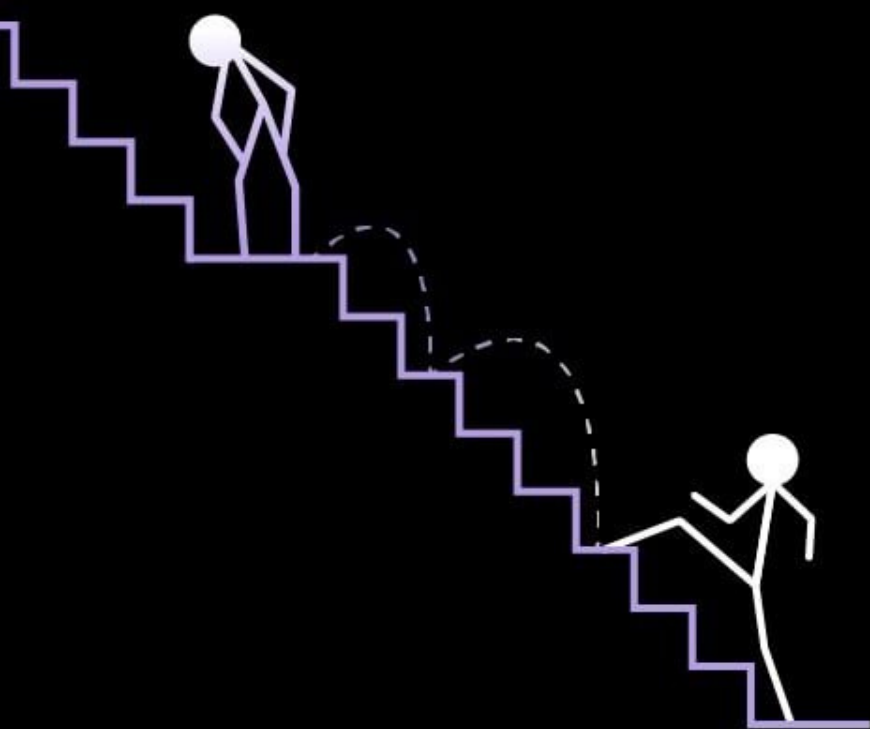

Learning from
other peoples
mistakes

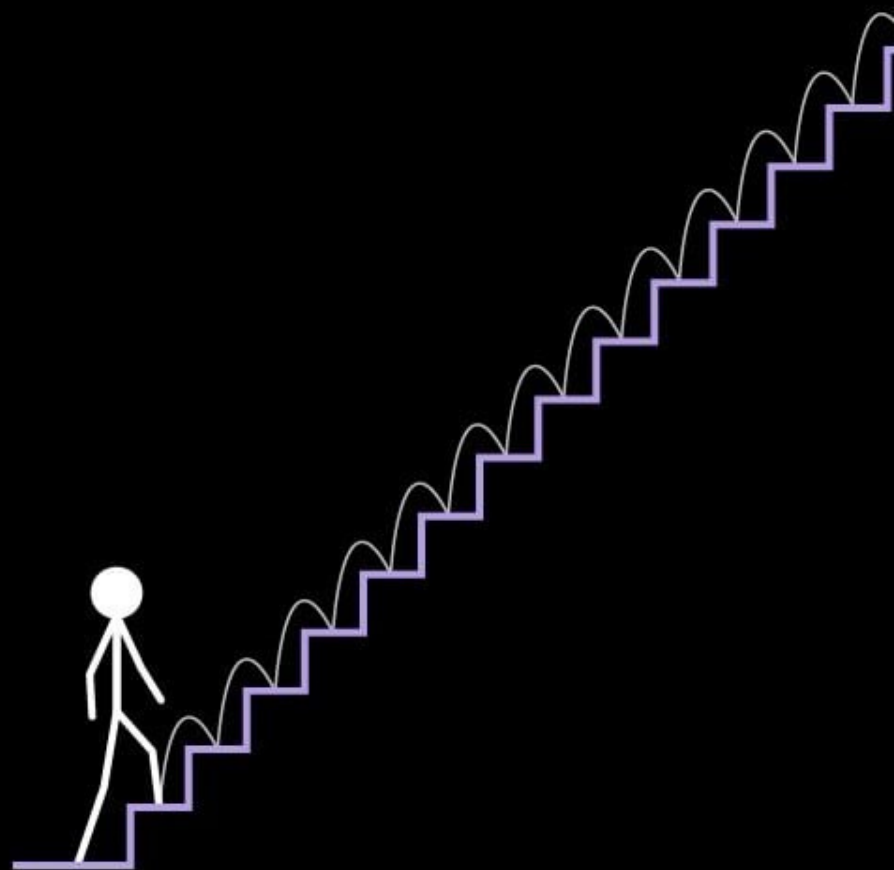

Let your past inform your future

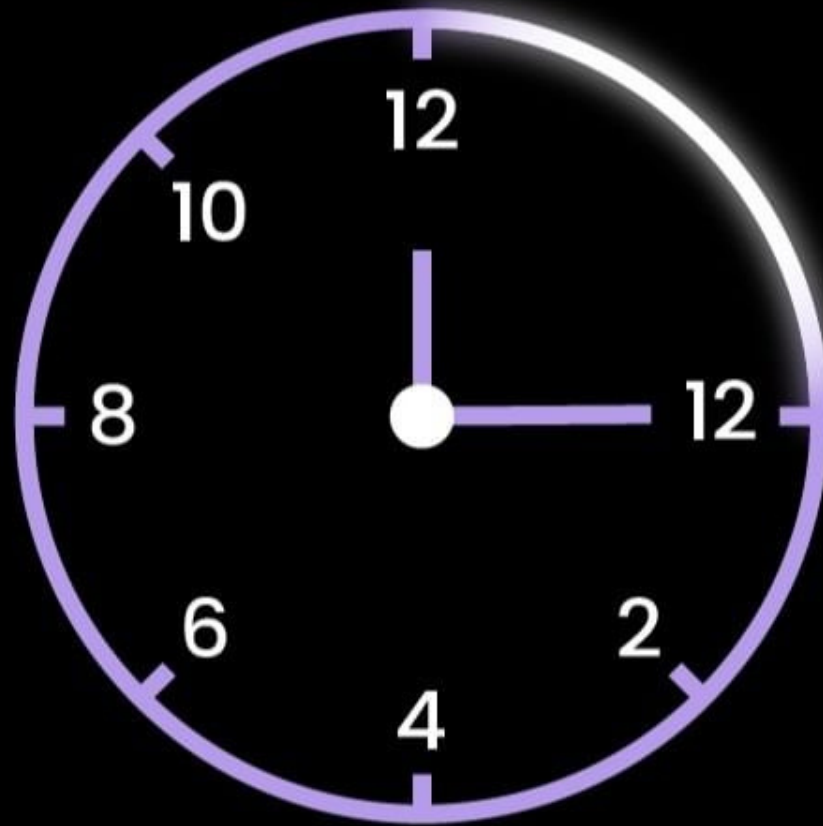

but don't let it define your future.

Intensity

Consistency

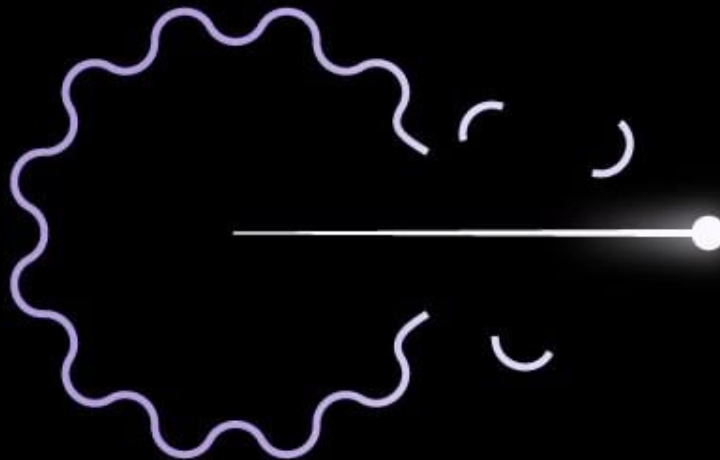

The time you enjoy wasting,
is not wasted time.

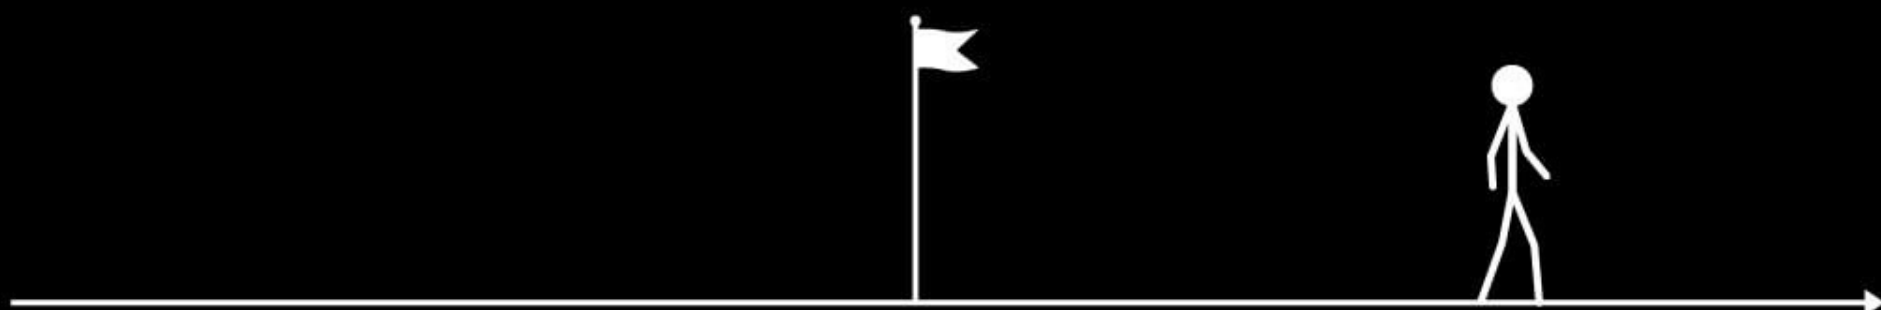

– Bertrand Russell

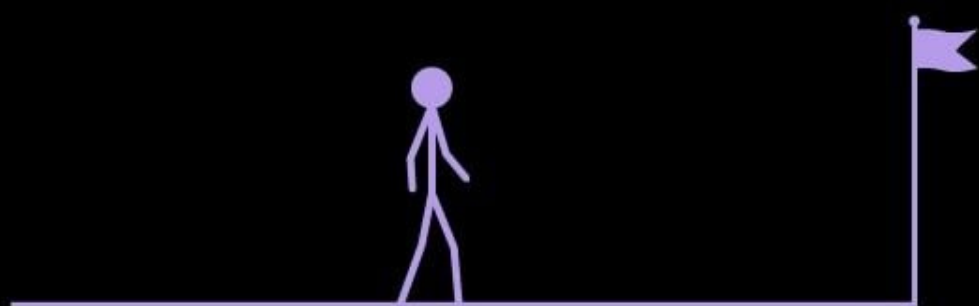

Bravery isn't the absence of Fear,

Bravery is having that Fear
but finding a way through it.

The man who loves walking, will walk Further

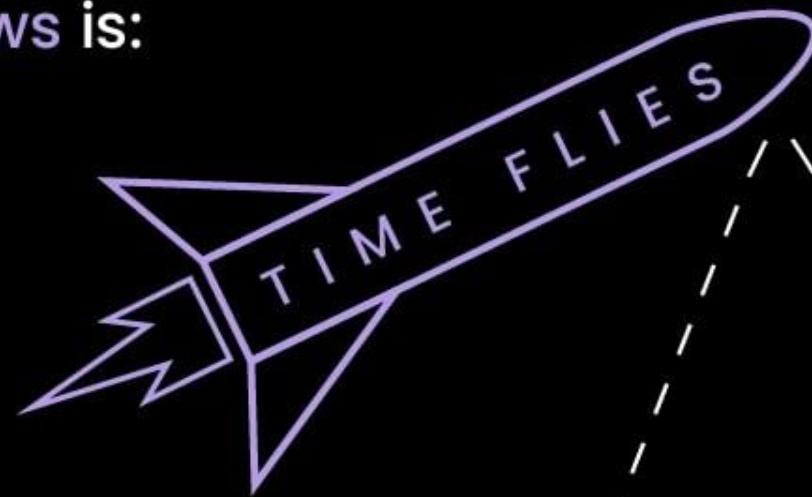

Than the man who loves the Destination

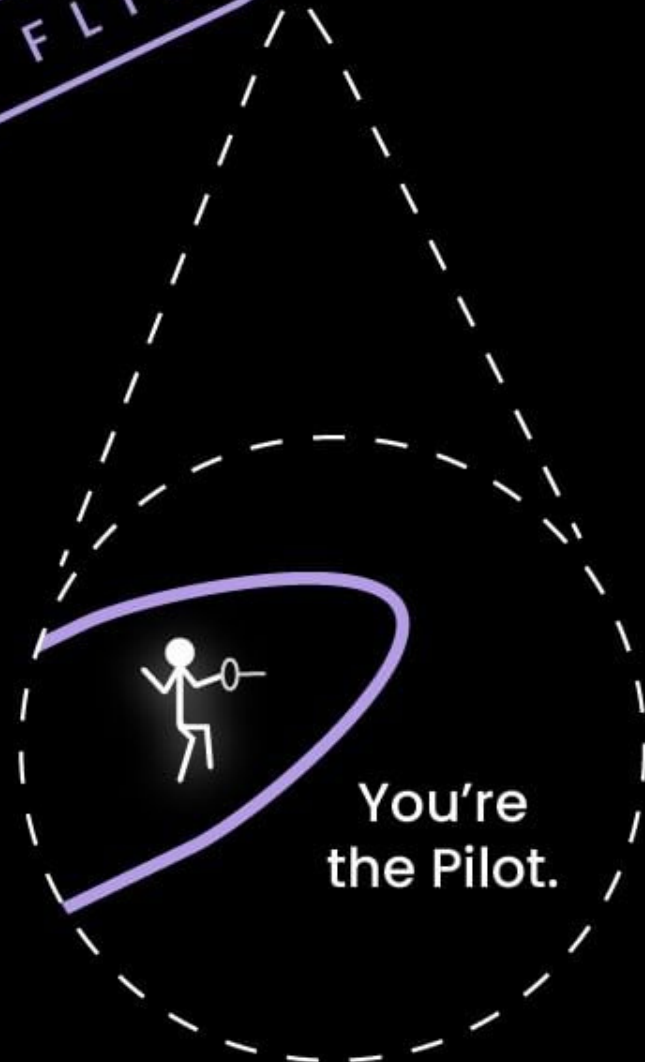

The problems we don't fix become our limits

The Bad news is:

The Good news is:

– Michael Altshuler

Just because it's
taking time

Doesn't mean it's
not happening

Materialism ----->

Don't Let The Pursuit of Affluence and Money
Change Who you are.
